

**SOCIAL ENTREPRENEURSHIP
IN TIME OF CRISES**

SE.TC

PROJECT RESULTS

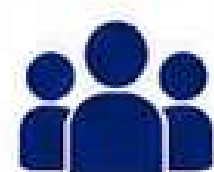

Social Entrepreneurship in Time of Crises

Empowering youth, teachers and communities in Lebanon through social entrepreneurship education.

1 WHY IT MATTERS

In a time of economic and social crisis, SE.TC strengthens social entrepreneurship in Beirut, North Lebanon, Bekaa and South Lebanon. The project builds the capacities of teachers-trainers and students, supports youth employability, and encourages community-based innovation.

2 RESULTS AT A GLANCE

495

reached
students

54

Instructors
surveyed
